

steam station

Get rid of all creases

The H.Koenig V32 steam station offers efficient ironing with its 3.5 bar power and 100 g/min steam flow. It is easy to use thanks to its ceramic sole that slides on your fabric.

Ready to use in less than a minute, the V32 integrates the new technology «unlimited autonomy» that allows you to fill its tank capacity of 2L at any time. You can adapt the temperature manually according to the type of fabric you need to iron.

Useful with its many functions such as automatic shutdown, water tank indicator, pressing function and vertical steam function. This steam station is very complete, it even allows you to iron your curtains and your clothes directly on hangers.

Choose the H.Koenig V32 steam station for fast and efficient ironing!
