

## steam station

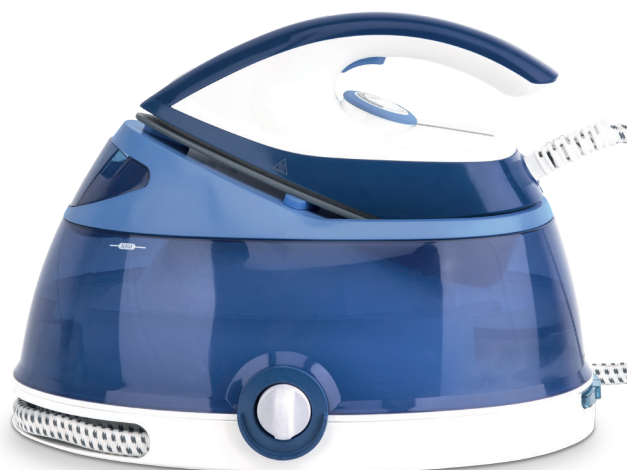

Quick and efficient ironing that eliminates the most stubborn creases

The H.Koenig V34 steam station offers efficient ironing with its 6 bar power and 90 g/min steam flow. It is easy to use thanks to its ceramic sole that slides on your fabric.

Ready for use in less than a minute, the V34 integrates the new «unlimited autonomy» technology that allows you to fill its tank capacity of 2L at any time for a continuous and powerful steam. You can adapt the temperature manually according to the type of fabric you need to iron.

Useful with its many functions such as automatic shutdown, water tank indicator, pressing function and vertical steam function. This steam station is very complete, it even allows you to iron your curtains and your clothes directly on hangers.

Choose the H.Koenig V34 steam station for a fast and powerful ironing!
