

robot vacuum cleaner WaterMop Gyro+

Connected, it vacuums and cleans to make your life easier

The robot vacuum cleaner WaterMop Gyro + SWRC120 by H.Koenig cleans up for you !
It is compatible with Google Home and Alexa.
Activate its Wi-Fi function and use the TuyaSmart Application.
Select your cleaning program and launch it before you get home.

Powered with a gyroscopic guidance technology, the robot vacuum cleaner maps out your home and chooses its itinerary to clean methodically.

It vacuums and cleans all types of floor thanks to its 350 ml water tank and its absorbent microfiber mop. Using its sensors, it detects spaces and debris, circulating easily between furniture, avoiding obstacles and reaching every corner.

It cleans efficiently with its high suction power, 100 minutes autonomy, its double-brush system and high performance HEPA filter for better filtration quality.

The robot vacuum cleaner SWRC120 simplifies your life!
