

# ELECTRIC KETTLE 1.7L

Looking for a design and efficient water boiler?

With its 1.7L capacity and power of 2200W, the H.Koenig BO17 is the device you need.

The 360° swivel base, a large lid to fill in the water and an automatic stop when the water reaches its boiling point or if there is not enough water, allow an easy usage of this kettle.

With its water-level indicator, you can easily know how much water is in your BO17 kettle.

**Stainless steel body with a blue light, the BO17 electric kettle offers a modern efficient design!**
