

Electric Kettle

Looking for an elegant and stylish designed electric kettle? The H.Koenig BO28 is the device you need!

Innovative, the BO28 has an internal illumination system with blue LED and it is made of a high-strength glass.

Easy to use thanks to its 360° degree base, its water gauge and easy push to open lid, you can easily reposition and fill in the BO28 wireless kettle.

Rapid boiling thanks to its 2200W power, you can prepare in a few minutes your teas, coffees, instant drinks or soups.

The electric kettle BO28, the ideal ally in your kitchen!
