

FOOD DEHYDRATOR

Would you like to enjoy your favorite fruits and vegetables all year long? It is possible with the H.Koenig DSY500 food dehydrator.

The DSY500 dehydrator preserves the flavors and the nutritional benefits of your fruits and vegetables. You can now taste your food out of season thanks to its natural conservation. Enjoy your mushroom picking all year long but also the sweet taste of strawberries and apricots.

The DSY500 is the perfect ally to make healthy snacks for you and your family. Its ventilation system allows a uniform distribution of the heat.

Precise thanks to its LCD screen showing the adjustable timer and the temperature, varying between 32° and 70°, the DSY500 allows an accurate dry. High capacity with its six drying trays.

Thanks to the DSY500 H.Koenig, you will preserve and enjoy your food during all seasons!
