

## electric kettle 1.2 L

Looking for a design and efficient water boiler?

With its 1,2L capacity and power of 1630W, the H.Koenig BO12 is the device you need.

The 360° swivel base, a large lid to fill in the water and an automatic stop when the water reaches its boiling point or if there is not enough water, allow an easy usage of this kettle. With its water-level indicator, you can easily know how much water is in your kettle.

Stainless steel body with a curved shape, the BO12 electric kettle offers a modern and efficient design.
