

## electric kettle 1.7L

elegant and trendy

Make tea and other hot drinks very easily with the BO28 kettle from H.Koenig.

Prepare several hot drinks at the same time thanks to its 1.7 litre capacity and 2200 watts power.

Designed to make your daily life easier, it has a 360° connector base, an indicator light and a hinged cover as to make it easy to fill.

Thanks to its visible water level, you can easily know how much your kettle is filled. Its automatic shut-off system allows for the device to stop when the water is hot.

Innovative, it has a blue LED lighting and a high-strength glass body.

For an elegant and trendy kettle, choose the BO28.
