boe56

design programmable kettle 1.7 L

Enjoy all your hot drinks at the ideal temperature

Set the temperature of your BOE56 kettle with its digital display. Select the right temperature from 40 °C to 100 °C depending on your preparations: teas (green, white, black, scented ...), infusions, coffee, milk powder, instant soups ...

Its keep warm function allows you to keep the water at the chosen temperature for a long time.

Easy to use with its 360 °C rotating base, its graduated water level and its automatic shutoff function, this kettle is repositioned and refilled without difficulty.

The BOE56, will bring a design touch in your kitchen!
