beer dispenser 6L

Share friendly moments with draft beers at home!

Discover the pleasure of a draft beer at home with the BW1688 draft beer dispenser from H.Koenig.

Compatible with all 6L pressurized and non-pressurized kegs, including Heineken®, this device guarantees a beer shelf life up to 30 days.

Its integrated cooling system allows you to enjoy your beer at an ideal temperature. Adjust this one according to your needs; from 3°C to 12°C. The LED screen shows the temperature, volume, and remaining storage time of your keg.

Your beer dispenser is easy to use and maintain, thanks to its removable drip tray and ergonomic stainless steel handle.

A connector and a hose are provided as well, so you can fit 5L pressurized kegs and enjoy a wider variety of beer brands.

With a simple touch, find the unique taste of a home brewery beer with the BW1688 beer dispenser.
