exp820

espresso machine

Rediscover the intense aromas of an Italian espresso

Treat yourself to the quality of a professional coffee machine with the H.Koenig EXP820. The coffee machine offers a multitude of possibilities. Make exceptionally rich and flavored coffees.

With its 15 bar pressure pump, the espresso machine is your ally for a sublime coffee.

Heat the water to the ideal temperature thanks to its Thermoblock heating system, which provides perfect temperature control.

Fancy yourself a cappuccino? Enjoy a smooth foam thanks to its steam nozzle and special tip. Its metal cup warmer tray allows for the cups to be placed within reach and preheated before use.

Elegant with its stainless steel body, the EXP820 espresso machine has been designed to perfectly achieve the preparation of your Italian espresso.
