

iron steam station “ceramic” soleplate

Making ironing easier

This is possible with the H.Koenig G2 steam station which has unlimited autonomy. With its 90 g/min continuous steam flow, its high power and its ceramic soleplate, the G2 steam station allows a simple and efficient ironing. Its vertical steam system even irons your clothes on hangers! Ready in 3 minutes, the G2 includes the new “unlimited autonomy” technology allowing it to be filled while in use. The anti-calc system prevents limescale so don't bother using anything other than tap water! Easy to store with its carrying handle. The H.Koenig G2 steam station: your next daily ally!
