

## coffee grinder

Enjoy freshly brewed coffee

The GRD830 H.Koenig coffee grinder uses a professional grinding method that exhales and preserves all the aromas. Make up to 10 cups of coffee in a single go thanks to its 130 watts power and large 400 g bean container.

Equipped with a conical grinder, it offers 16 different grind sizes options.

The beans are uniformly and precisely grounded, in accordance with the type of preparation desired: from fine grinding to thicker grinding for piston coffee makers. Choose to collect the ground coffee directly in your espresso filter holder or in the coffee tray.

Its sleek design fits perfectly into your kitchen. It is easy to clean with its removable conical mill and cleaning brush.

The GRD830, an indispensable device for all lovers of ground coffee.
