

juice extractor

Adapted for all types of fruits and vegetables of all shapes and sizes

Select the setting of your appliance according to the fruit and vegetable chosen thanks to the specific digital display. The optimization of the program will allow you to extract the best of your fruit/vegetable and to preserve all the nutritive qualities. With its extra-large nozzle and its pulp container, you do not longer need to cut your fruits in pieces. Easy to clean thanks to the detachable parts. Juice Extractor GS32: your new healthy ally!
