

## slow juicer vitalice

create different juices and sorbets preserving all the fruit vitamins

Create juices and sorbets full of flavours and vitamins with the GSX22 vitalice slow juicer.

The smoothie and sorbet sieves allow you to prepare delicious frozen desserts with a 100% fruit content and no added sugars. Its low-speed soft-pressure technology and blade free propellers ensure juice quality with maximum nutritional intake and minimum waste. It offers you 30% more juice than a traditional juice extractor.

Thanks to its 400 watts power and silent system, you can prepare tasty juices every morning.

No need to cut your fruits into pieces, its extra large introduction nozzle and its one-litre capacity allow you to extract your juices in large quantities and in no time.

Designed with a stainless steel body, the extractor is supplied with a cleaning brush, a juice bowl, a pulp bowl and a pusher.

The GSX22 vitalice slow juicer, for vitamin-rich days!
