

vertical slow juicer vitalice®

Create different juices and sorbets preserving all the fruit vitamins.

The new slow extractor Vitalice GSX22 H.Koenig allows you, thanks to an innovative process, to adapt your juices' texture according to your tastes.

Start making homemade fruit but also vegetable juices, while preserving all their vitamins and their natural taste. The special smoothie and sorbet strainer allows you to prepare tasty and 100% fruits, sugar-free desserts. Its gentle squeezing technology with a slow speed and bladeless propellers ensure the quality of the juice with a maximum of nutrient intakes, without altering the fruits benefits and with a minimum of waste. You no longer need to cut your fruits in pieces, its extra-large nozzle and its one liter capacity allow you to extract your juices in large quantities in a snap. Easy cleaning thanks to its removable pieces.

The H.Koenig GSX18 vertical slow juicer, your new healthcare partner!
