

slow juicer lower rotation Vitamin+

Create different juices and sorbets preserving all the fruit vitamins

Make juices and sorbets full of flavours and vitamins with the GSX24 slow juicer lower rotation Vitamin+.

The smoothie and sorbet sieves allow you to prepare delicious frozen desserts with a 100% fruit content and no added sugars. You can even get finer juices thanks to its 0 pulp filter.

Its soft pressure technology with an extra slow speed of 50 rpm and blade free propellers ensure juice quality with maximum nutritional intake and minimum waste. It offers you 30% more juice than a traditional extractor. Thanks to its 400 watts power and silent system, you can prepare tasty juices every morning.

No need to cut your fruit into pieces, its extra large introduction nozzle and its one-litre capacity allow you to extract your juices in large quantities and in no time.

Designed with a stainless steel body, the extractor is supplied with a cleaning brush, a juice bowl, a pulp bowl and a pusher.

The GSX24 slow juicer lower rotation Vitamin+, for vitamin-rich days!
