

slow juicer

Keep the best of your fruits and vegetables

The new slow juicer GSX4 allows you to enjoy fresh, fruity, healthy and tasty juices.

Its slow rotation technology preserves the natural taste, the vitamins and the nutritional intake of the fruits and vegetables while reducing the dry waste to a maximum. It gives you 30% additional juice compared to a traditional juicer.

Two tanks are included, one to receive the juice and the other to collect the solid waste.

It will suit your kitchen perfectly with its compact design and its low noise level.

Its reverse system will allow you to avoid obstructions.

The GSX4 juice extractor: daily well-being!
