

## ice-cream maker

Lets make your favorite homemade ice cream flavours all year long!

Prepare your homemade sorbets and ice creams in 30 to 40 minutes. User-friendly, all buttons on the H.Koenig HF250 ice cream maker are touch-sensitive. It also has a digital display and comes with a 1.5L aluminum removable bowl.

The HF250 will prepare your delicious and creamy ice cream quickly thanks to its integrated refrigeration unit, similar to professional devices. Easily pour the mixture in the bowl and press the button, your ice cream maker will do the rest.

Let's make homemade ice creams all over the summer time!
