

## horizontal slow juicer

enjoy fresh, healthy and full of flavour juices

Enjoy fresh, healthy and tasty juices with the H.Koenig HSX16 horizontal slow juicer.

Thanks to its 150 watts power and 1.1 litre capacity, you can extract fruit and vegetable juices while preserving all the vitamins and the natural taste of your food.

Its low-speed soft-pressure technology and blade free propellers ensure juice quality with maximum nutritional intake and minimum waste. It offers 30% more juice than a traditional extractor.

Designed with a stainless steel body, the juicer is supplied with a cleaning brush, a juice bowl, a pulp bowl and a pusher.

Finally, its reverse function will allow you to avoid obstruction of the device.

Thanks to its removable parts, the juicer is easy to clean.

The HSX16 horizontal slow juicer, for vitamin-rich days!
