

electric pressure washer

Powerful, easy-to-handle and multifunctional

The H.Koenig HWP3 electric pressure washer will allow you to clean effectively and thoroughly all your surfaces thanks to its powerful 110 bar jet and 320 L/h flow rate.

The device is very handy thanks to the length of its flexible hose and cable, you can move around and easily access the most difficult places. Its adjustable nozzle offers the possibility to switch from a high-pressure spray to a mist or flat spray to meet all your needs. Remove the dirt from the tiling of your terraces, remove the dust from your car... the HWP3 will do it all!

Its accessories multiply its functionalities, with its connector, high-pressure gun handle, spray gun and high-pressure hose you will now be able to clean all your surfaces.
