

ice cube maker

Refresh your drinks

H.Koenig ICEK12 ice cube maker is the perfect item to refresh your drinks. Fast, the machine produces 9 ice cubes every 6 to 13 minutes and up to 12 kg per day. The ice cube production is automatic and can be easily controlled thanks to its digital screen.

Useful, you can choose amongst two sizes of cubes depending on your needs. Ideal, the ICEK12 will allow you to fill in your icebox, essential for your summer picnics and parties.
