

## ice cube maker

You'll never be short on ice cubes again.

The H.Koenig KB15 ice cube maker is a new device which everyone requires in his kitchen. The ice cubes production is automatic and can be easily controlled thanks to the integrated LCD screen. You can program the device to prepare ice cube in advance or at the last minute, and even keep them in the machine for later! You can choose the size of your ice cubes depending on your needs. The KB15 will also allow you to fill up those iceboxes, which are so useful for summer picnics.

You'll never be short on ice cubes again!
