

stand mixer

A strong device in your kitchen:
the KM60s stand mixer.

The H.Koenig KM60s stand mixer is equipped with a quick release system and includes a dough hook, a stirring attachment, and a whisk. Its powerful motor and solid shape will keep your stand mixer working for years like on the first day. There are six adjustable speeds to best suit your needs, and there is an interval-mixing program. The bowl of the H.Koenig KM60s has a capacity of 5 liters and can hold up to 2 kg of dough. The durable plastic cover effectively prevents unwanted spillage. The design of the processor is modern and stylish, and will integrate well into your kitchen. To get additional functions you can add optional accessories to the arm of the mixer.
