

food processor

Prepare delicious meals with only one food processor

The H.Koenig MIX330 food processor makes your life in the kitchen easier.

Its large capacity of 1.2 litres allows you to make milkshakes, smoothies, cocktails, soups, pancake pastes/cakes/pizzas and other preparations. Versatile, the robot has 3 pre-programmed functions (pulse, mixing/chopping, kneading), 4 discs for different types of cutting (grated, minced, julienned, fried) and accessories (spatula, stainless steel and plastic blades).

You can also prepare your own fruit juices with its citrus squeezer. Powerful with a power of 1000 watts and with a variable speed drive, it offers optimal efficiency.

Its compact and elegant design and finish easily integrate into your kitchen.
