

smart'cook multifunction

Cook smartly every day

Cook for your entire family and friends thanks to the smart'cook multicooker MLCOOK10. The cooker can do anything and its 5 litres capacity will allow you to anticipate all your meals from starters to dessert.

Polyvalent, with its 19 automatic cooking programs you can prepare all your meals: stew, steam, soup, frying, baking oven, yogurt, jam, quick cooking, manual mode and more. Simply place your food in the container and the cooker takes care of the rest!

Adaptable, its temperature is adjustable from 35°C to 180°C and so is its cooking time from 2 minutes to 15 hours. Functional from beginning to end, you can also use its keep warm function, register a delayed start up to 24 hours in advance and launch an automatic cleaning program.

Rediscover the good taste of easy to make cuisine!
