

meat slicer 22 cm blade

Slice like a pro with the meat slicer

Equipped with a high quality Italian blade, you can perfectly slice all your ingredients thanks to its 22 cm diameter. Adjust the slice thickness (0-12 mm) to adapt the meat slicer to your needs: cold cuts of ham and beef, bread, fruits, cheese...

Powerful, fast and silent thanks to its 240 watts and 282 rpm asynchronous motor. Practical with its integrated blade sharpener for an optimal result and its large tray to position easily an entire ham. Non-slip base for maximum stability and no risk of falling while slicing.

The meat slicer MSX220: slice with precision!
