

multifunctional food processor

Cook all your meals with only one food processor

Composed of no less than 11 functions, the MX18xt robot offers the possibility to: knead, chop, slice, grate, mix, grind, but also blend, whipe, press and extract juices thanks to its large variety of accessories.

Efficient with a power of 800 watts and different speeds, it adapts to all your needs. It has a bowl and a 1.5 litre graduated glass blender. The 4 stainless steel discs, steel blade and spatula allow you to chop your herbs, mix your soups and smoothies, knead your dough, grate your parmesan, slice your vegetables, cook all your recipes, gratins, salads and much more. With its additional accessories, you can whip egg whites until soft peaks forms with its whisk, mix your ingredients, squeeze your fruit and extract delicious fresh fruit/vegetable juices or crush your ice cubes to make your favorite drinks.

The MX18xt is a multifunctional and complete device suited for all your preparations!
