

multifunctional food processor

The food processor which will change your way of cooking

Composed of no less than 8 functions, your MX18 robot: kneads, chops, slices, mixes, blends, and grinds your preparations.

Efficient with its 800 watts power and different speeds, it adapts to all your needs.

It has a bowl and a 1.5 litre graduated glass blender. The 4 stainless steel discs, steel blade and spatula allow you to chop your herbs, mix your soups and smoothies, knead your dough, grate your parmesan, slice your vegetables, cook all your recipes, gratins, salads and much more.

The MX18 is a multifunctional device suited for all your preparations!
