

soup maker

Enjoy delicious homemade soups

Thanks to its hot and cold mixing function, you can prepare delicious homemade soups and veloutés to warm you up on winter evenings as well as compotes, smooth sauces, smoothie or even gazpacho to cool you down during the summer! You can also use it as a water bath cooker.

Practical and easy to use, you can make your recipes from start to finish with a single robot thanks to its 2 cooking programs, pour the ingredients into the robot, press the button and it will do the rest! Thanks to its large 1.1 litre container, you can prepare soup for the whole family. Optimized cooking, with its 850 watts power you can prepare your favourite dishes in less than 30 minutes and with a temperature up to 100 °C.

Easy cleaning, it was specially designed to be disassembled and cleaned in the blink of an eye.

The H. Koenig MXC20 soup maker is a versatile device!
