

HKoenig

plant milk maker

Create your own plant milk!

Make delicious plant-based beverages with the milk maker NATY210 from HKoenig!

Powerful thanks to its 1000 watts and programmable up to 24h with its touch screen, select one of the 6 programs offered. This plant milk device, easy to use, allows you to extract up to 1 liter of milk from dry or swollen soybeans, nuts, seeds or dried fruits. You even have the possibility to flavour your drink according to your tastes: cocoa, vanilla, cinnamon or other spices.

The stainless steel blades guarantee an optimal mixing of ingredients.

The device can be easily cleaned thanks to its automatic cleaning program and its non-stick coating. The glass carafe and lid are dishwasher safe.

The design plant milk maker fits perfectly into your kitchen.

With NATY210, making plant-based drinks has never been easier!
