

handheld steam cleaner

Easy to handle and eco-friendly

Steam cleaning is a natural and environmentally friendly way to clean by avoiding the use of chemicals.

Efficient, powered with 1000 watts and 4 bars steam pressure, it effectively eliminates dirt and germs.

Handy, its ideal size and light weight make it easy to use and store.

Its different nozzles will allow you to clean different types of surfaces in the kitchen, the bathroom, windows, and areas that are hard to reach.

The H.Koenig NV60 portable steam cleaner, an essential for cleaning your home!
