

HKoenig

nv680

handheld steam cleaner

for powerful and eco-friendly cleaning

The H.Koenig NV680 hand-held steam cleaner provides thorough cleansing of surfaces throughout the house. Without chemicals, it allows an eco-friendly cleaning of your home.

With a temperature of up to 102°C and a steam output of 40 grams/minute, the cleaner eliminates 99.99% of bacteria, ensuring a healthy and non-allergenic environment.

Allow 3 to 5 minutes for the unit to warm up.

Suitable for all types of surfaces (tiles, glass, faucets, textiles, etc.), it is also useful for reaching hard-to-reach places thanks to the 13 accessories included in the pack: a floor brush and extension hoses, steel and nylon brushes, nozzles, a window squeegee, a cloth, a wipe and a measuring beaker.

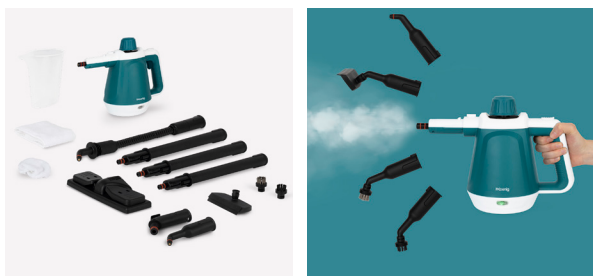

Its handiness, compact size and light weight make it easy to use and store.

The NV680 steam cleaner, the everyday ally in your household tasks!
