

2 burners gas plancha

Combine cooking and conviviality

Share tasty outdoor grills with friends and family around the PLX1022 grill!

Running on propane or butane gas, this grill is directly inspired by professional kitchen equipment.

Equipped with an enamel cast iron plate, it can reach a temperature of up to 350°C. Its two burners ensure an even distribution of heat over the entire surface for a perfect searing of food.

Thanks to the control buttons, you can adjust the temperature of the two cooking zones independently and at your convenience.

A removable rack can be installed on the griddle to place your food to be cooked or, if already cooked, to keep warm.

The cooking surface of 47 x 36 centimeters allows you to cook a meal for up to 6 people. The griddle offers a healthy cooking method for different types of food: meat, fish, vegetables and more.

Its stainless-steel frame and removable grease tray, which is dishwasher safe, guarantee easy cleaning.

Enjoy fast and tasty outdoor cooking with PLX1022!
