## hot chocolate dispenser

essential for your hot drinks

Discover the H.Koenig SHK800, ideal for preparing and serving tasty hot chocolate.

With its large 3 litre tank and stainless-steel design, this machine is perfect for both home and professional use.

Thanks to its adjustable thermostat and rotating blade, it automatically prepares your drink and keeps it warm with a maximal temperature of 90°C.

Simply serve yourself by opening the drip free tap and pulling out the integrated drip tray.

This 1200 W appliance is also suitable for dispensing hot drinks such as tea, milk or mulled wine. Its perforated lid allows steam to escape.

Easy to clean, its tank is removable and dishwasher safe.

SHK800, essential for your gourmet events!
