## vacuum food sealer

Discover a new way to preserve your food

Easy to use, the SIL85 vacuum food sealer allows you to evacuate the air and condition your dry or humid food in hermetically sealed packages in just 10 seconds. This process eliminates the risk of oxidation and favors long-term storage.

Anticipate and store food in your refrigerator or freezer without altering its nutritional value or flavour.

Avoid waste, not only can you keep what is not consumed but you can also reuse the 10 washable vacuum bags 20 x 30 cm.

Compact, the unit can easily fit any drawer or cupboard in your kitchen.
