

vacuum cleaner PowerClean+ cats & dogs

Looking for a bagless vacuum cleaner to get rid of your pet's hair?

The SLX970 has a strong suction power and respects the environment with its triple A rating:

A: Energy consumption class

A: Filtration quality

A: Suction efficiency on hard floors

Stop using dust bags that clog up and lower the suction efficiency, the SLX910 uses its cyclones to propel dust and dirt directly into the transparent tank.

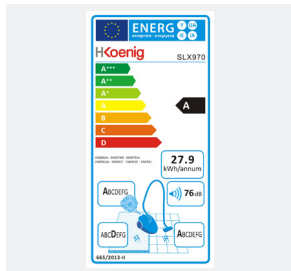

Its suction power and HEPA 13 filter help you fight against dust mites and allergies thanks to a profound suction of all your floors and fabrics. Its Turbo brush eliminates all your pets hair on every fabric, like the seats of your car. Save time with its grooming brush, designed to use directly on your pet before the hair spreads throughout your home.

Very discreet thanks to its silent multi cyclonic technology: it is quickly forgotten!

The PowerClean SLX910 bagless vacuum cleaner H.Koenig: your new daily ally!
