

## vacuum food sealer

discover a new way to preserve your food

Preserve your food for longer with the SSV24 vacuum food sealer.

In contact with air, food tends to oxidize and therefore degrade more quickly. The vacuuming technique not only preserves the nutritional value and freshness of the food, but also preserves it over a longer period of time.

No more waste, with the SSV24, keep your leftovers! You can also prepare all your dishes in advance to save time. All your foods such as vegetables, meat or fish can be vacuum packed.

Supplied with 20 washable bags, the SSV24 will be your ally in everyday life.
