## vacuum cleaner Compact + cats & dogs

Looking for a bagless compact vacuum cleaner to get rid of your pet's hair?

Choose H.Koenig's compact, bagless and triple A vacuum cleaner.

Thanks to its filtration system and its HEPA filter, it blocks up to 99.95% of the particles present in your environment and helps you to fight against pollens, mites and all types of dust.

Its accessories allow you to clean efficiently all your home and particularly your pet's hair. Its grooming brush is designed to be used directly on your pet. This brush will avoid your pet's hair to be scattered all over the house.

It has a strong suction power and respects the environment with its triple A rating: energy class A, dust re-emission class A, hard floor cleaning performance class A. Its integrated power regulator allows you to adapt the suction power according to the types of floor.

Bagless with its cyclonic technology, it propels dust and dirt directly into the transparent tank. No more clogged bags and reduced suction power!

Compact and light with its aluminium telescopic tube, you can store it easily and circulate without difficulty throughout your home.
