vertical garment steamer

a perfect solution to smooth out your clothes quickly and easily

No need for an ironing board with the H.Koenig STM45 vertical garment steamer! Simply place your laundry on the integrated hanger and steam your clothes.

The variator allows you to adjust the power according to the fabric you want to iron. With its steam flow rate of 35g/min, the STM45 vertical garment steamer eliminates creases even on the most difficult textiles: ready-to-wear, costumes, curtains, and more.

Ready for use in under a minute, the STM45 incorporates the new «unlimited autonomy» technology allowing for your tank to be filled at any time.

The STM45 vertical garment steamer, for easy ironing!
