

programmable steward coffee maker

Looking for a hot freshly ground coffee at any moment of the day?

The design of the H.Koenig Steward STW26 is inspired by professional coffee makers used in airplanes. You can make up to 10 cups with its 1,2L graduated water tank. The isotherm jug with a double stainless steel lining will keep your coffee warm and preserve all the flavours. Its integrated programmable clock, anti-drip system, solidity and important capacity, make it the ideal device for your office as well as your home.

The STW26 steward coffee maker will soon become essential in your everyday life!
