

intelligent robot vacuum cleaner

Independent and intelligent, the robot vacuum cleaner will do it for you

The H.Koenig SWR28 uses the latest technology of robot vacuum cleaners controlled by an intelligent program.

At home or outside, schedule up to 7 different cleaning programs per week. Thanks to its ideal dimensions, the SWR28 weaves its way in every corner of your home.

Independent, the SWR28 goes automatically back to its charging base when the entire surface has been cleaned.

It is also equipped with a virtual wall to delimit the cleaning areas.

Choose the SWR28 robot vacuum cleaner easy and powerful that simplifies life!
