electric tajine

taj4

Cook exotic flavours

The TAJ4 electric tajine by H. Koenig combines tradition and modernity.

Thanks to its traditional terracotta dish, the heat is distributed evenly.

Its power of 300 watts allows you to quickly obtain an optimal temperature regulated by a thermostat, which offers you a gentle cooking under pressure.

Thanks to its 2 liters capacity, you can let meat and vegetables simmer slowly in their juice to delight the whole family and obtain healthy and tasty cooking. You can check the cooking at any time thanks to the handle on the top of the lid.

The best tajine is yours!
