

wet and dry vacuum cleaner

Vacuums water and dust, with an integrated leaf blower

The H. Koenig TC120 is a 20-litre, bagless, steel tank vacuum cleaner with a power of 1200 Watts.

It has 3 functions: water suction, dust and blower.

Clean your garage, cellar, terrace and others with its water suction function. Get rid of debris in your attic, car...

with its powerful dust suction. Collect all the dead leaves from your garden and other waste with its air blower function.

Useful, with its 4 rotating wheels and light aluminium tube, you can move around easily. You no longer need to look for accessories, they are all stored in a compartment in the body of the device. You will find a carpet brush, a sofa brush, a sponge brush, a flat nozzle, an accessory holder, a dust filter... everything for a cleaning adapted to your needs.

The TC120, the practical and multifunctional 3-in-1 vacuum cleaner for your home!
