

hugo bagless vacuum cleaner

The essential bagless vacuum cleaner!

Looking for a vacuum cleaner that is both powerful and bagless? It is possible with the TC34 Hugo H.Koenig Vacuum cleaner. Forget clogged bags that decrease the suction capacity. With the TC34 Hugo multicyclonic technology, the dust is directly propelled into the transparent container. Its high power and HEPA filter offer an optimal suction efficiency on all your surfaces and fabrics while keeping the different particles and allergens as pollen, mold... Convenient thanks to its accessories that fit directly on the handle, the TC34 Hugo is also easy to use with its Easyclean system allowing you to empty the container in a few seconds. The TC34 H.Koenig: the essential bagless vacuum cleaner!
