

kettle tea maker

enjoy all the enhanced flavours of your tea

Feel the quintessence of your teas with the H.Koenig TI600 kettle tea maker.

Practical, it allows you to boil water according to your desires at 4 different temperature levels ranging from 70°C to 100°C. The device is fully programmable from its base thanks to the touchpad. Rediscover the flavours of your teas, infusions or rooibos by adjusting the water temperature to release all the aromas. Equipped with two lids and a stainless steel tea filter, you can use it as a kettle or an infuser.

Thanks to its 2200 watts of power, it guarantees a fast boiling time. You can also prepare tea for many people thanks to its 1.5 litre capacity. Its heat-retaining function allows you to keep the water at the chosen temperature for a long time. Perfect to prolong your experience.

Its glass body makes it a design and modern object that will perfectly suit your kitchen.

Awaken your senses and discover the flavours with the TI600 kettle tea maker.
