

tea maker instant T

enjoy all the enhanced flavours of
your tea

Experience the quintessence of your teas with the H.Koenig TI700 tea maker instant T.

Practical, it allows you to boil water according to your desires at 4 different temperature levels ranging from 70°C to 100°C. Rediscover the flavours of your teas, infusions or rooibos by adjusting the water temperature to release all the aromas. Equipped with two lids and a stainless steel tea filter, you can use it as a kettle or an infuser.

Thanks to its 2400 watts power, it guarantees a fast boiling time. You can also prepare tea for several people thanks to its 1.7 litre capacity. Its heat-retaining function allows you to keep the water at the chosen temperature for a long time. Perfect to prolong your tasting.

Its glass body makes it a design and modern object that will perfectly suit your kitchen. Awaken your senses and discover the flavours of tea with the TI700 tea maker instant T.
