

crust & crunch toaster

Enjoy hot and crusty toast

Large capacity with its two extra-wide slots of 40mm each, the TOAS9 toaster can prepare breads, muffins, bagels and more. Efficient, with a power of 950W, its 7 browning levels and its defrost and reheat functions, you can enjoy your toast according to your desires.

Convenient, its extra high lift allows you to easily withdraw your bread from the device without getting burnt. The product includes an automatic shutdown function when the bread has reached the desired level of browning and also a manual function to stop it whenever you want.

Easy to store and clean, this toaster is designed with a removable crumb tray and easy cord storage. Its elegant and vintage stainless steel design fits perfectly to any kitchen.

The TOAS9 is an elegant and practical toaster for all types of hot and crispy bread!
