up690

wireless 2-in-1 vacuum cleaner PowerFlex

Essential for cleaning your home
from floor to ceiling

Clean your home from floor to ceiling with the UP690 wireless foldable 2-in-1 vacuum cleaner.

Rechargeable, it provides continuous suction up to 35 minutes and vacuum all the dust in one go. With its 22.2 volts, the lithium battery power provides a long autonomy.

Foldable, the UP690 facilitates cleaning under furniture, even the lowest ones, and without craning. This comfort in use is enhanced by its slight weight and its ergonomic handle.

Its brush allows a vertical position holding on its own. Therefore, facilitating its storage and its daily use.

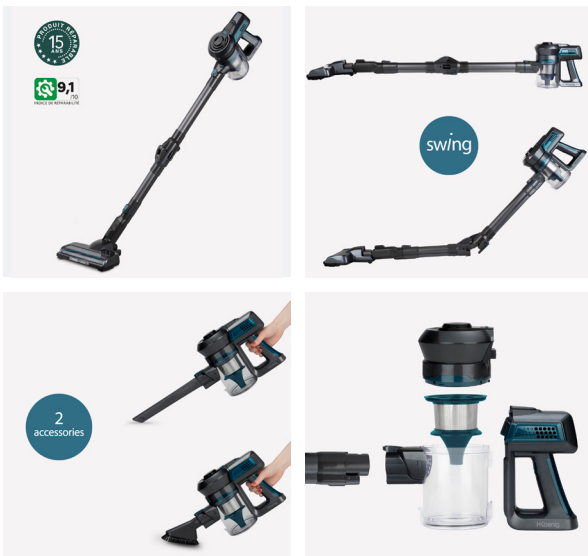

Thanks to its accessories, you can clean the corners that are hard to reach: shelves, above and under your furniture or in corners.

Efficient, the UP690 uses its bagless cyclonic system to propel dust and dirt directly into a transparent tank. It is equipped with two vacuum speeds to change the suction power according to your needs.

With the UP690; simplicity and handling ability are guaranteed!
