

iron steam station ceramic soleplate 5.4 bar

Experience ultra powerful ironing

The H.Koenig V26 iron steam station allows simple and efficient ironing thanks to its 5.4 bar steam pressure and ceramic base.

Ready for use in less than a minute, the V26 incorporates the new «unlimited autonomy» technology allowing for the tank to be filled while in use. The vertical creasing function also allows you to iron curtains and clothes directly on hangers. Its «Anti-calc collector» function recovers scale and guarantees a longer life for the product.

Choose the H.Koenig V26 iron steam station for powerful and fast ironing!
